GRAND SECRETARY.

The following communication was submitted by the Grand Master :

GRAND MASTER'S COMMUNICATION.

BRETHREN:—Permitted by a kind Providence once more to assemble in Grand Council, it becomes my duty now to present a brief review of my official acts, and to offer such suggestions for your consideration as may tend to promote the well-being of the Craft. When last we met, our political horizon was shrouded in the deepest gloom: at war with a cruel foe, who, regardless of right, sought only the subversion of our liberties and the utter destruction of all we hold dearest and best on earth. Disaster followed disaster in quick succession, until patriot hearts grew heavy and hope had well-nigh perished:

But in the darkest hour there came a change. "The Lord of Hosts was with us," nerving the arms of our soldiers and inspiring their hearts with dauntless heroism. The invading army that beleaguered our Capital was baffled, defeated, demoralized, and our forces were everywhere victorious, until triumph after triumph had shed imperishable lustre on our arms.

Yet, to-day the war-cloud is still dark and lowering. The shadows thicken around us. The foe is still straining every nerve and exhausting every resource to subjugate and destroy us. Many of our brave soldiers are ragged and barefoot, while their loved ones at home are pinched by penury and stared at by famine. Greed of gain too, is abroad in the land, and many are "hastening to be rich by grinding the faces of the poor," regardless alike of the cries of suffering humanity, and the words of Him who has said: "He that withholdeth corn, the people shall curse him; but blessing shall be upon the head of him that selleth it."

The garden spot of our good old State is in the hail of the spoiler. The sound of the gavel can no longer be heard in many subordinate Lodges, and we vainly look around us for familiar faces which were wont to greet us here.

Masonry, so prosperous and flourishing in peace, languishes in war. But sad as this reflection may be, it is but another evidence that the great principles of our Order are nearly allied to the sublime teachings of Him, whose mission was to proclaim "peace, good will on earth."

In this hour of our country's peril and distress, let us be hopeful, and faithful, and patient. *Now*, more than ever, should the benign influence of the great principles on which our Order is founded, be everywhere felt and recognized—felt and manifested in the prompt, energetic, self-sacrificing endeavor to comfort the distressed, to succor the needy, to minister to the wants of the widow and the fatherless. This is our mission. Let us gladly fulfill it.

During the present year no Dispensations have been granted for the establishment of new Lodges, within the limits of our jurisdiction. At our last Communication, a resolution was passed, empowering the Grand Master, in his discretion, to grant Dispensations for the creation of Military Lodges, and under this resolution I received two petitions, to which it is proper that some reference should be made. The first of these was from Bros. R. W. York and others of the Sixth State Troops, in camp near Richmond, Va., praying for a Dispensation to open a Military Lodge in that Regiment. I was compelled, with reluctance, after due deliberation and a careful review of Masonic Usage, to refuse the Dispensation, as a compliance with their request would have been an infringement on the jurisdiction of the Grand Lodge of Virginia. I am pleased to inform you, that the petitioners subsequently applied to the Grand Master of Virginia, who granted them a Dispensation, and the Lodge thus established is prospering.

Before I dismiss the subject, it is but fair to state that the Grand Master of Louisiana dissents from the opinion above advanced, and regards as an invasion of his jurisdiction, the grant of a like dispensation by the Grand Master of Virginia, to open a Lodge in the 5th Regiment Louisiana Volunteers.

The other petition was from Brother H. F. Sheneck and others of the 56th Regiment N. C. Troops, in camp near Wilmington, N. C., asking a like Dispensation. Some of the petitioners in this instance hailed from other jurisdictions. They were doubtless all good men and true, but having no evidence on this head, and the petition not being accompanied by a recommendation from St. John's Lodge, previously promised, I was compelled, as before, to withhold the Dispensation.

It becomes my duty, however unpleasant, to revert briefly to difficulties which have occurred in Mt. Hermon Lodge, No. 118, Asheville, N. C., calling for my intervention. At the regular time, in December last, for electing officers, Bros. A. W. Cummings, G. W. Whitson and J. Hillerbrand, no other members being present, proceeded, in the absence of the Master and Wardens, to hold the election. This was done in direct violation of Masonic Law and Usage and the By Laws of Mt. Hermon Lodge. Bro. G. W. Shackelford, Senior Warden, and in the Master's absence, the proper custodian of the Charter, correctly deeming the election illegal, removed the Charter from the Lodge. Bro. Cummings wrote to me complaining of its clandestine removal. I also received several communications, denouncing the action of Bro. Cummings. Having faithfully ascertained the facts of the case I declared the election null.

I subsequently received a petition, signed by the officers elected as above, and other members of the Lodge, praying a Dispensation to hold a new election. I granted the Dispensation, and presume that harmony has at length been restored.

At our last Communication, owing to the unsettled condition of our public affairs, your committee on Foreign Correspondence made no report,

such correspondence had doubtless wholly ceased. The continuance of the war precluding in a great measure communication with other jurisdictions, I deemed it unnecessary to appoint a like committee during the present year. I have received, however, the proceedings of the following Grand Lodges, viz: Virginia, Louisiana, Alabama, Florida, Arkansas and Georgia, had at their last annual Communications. They are interesting exponents of the condition of the Craft in their several jurisdictions, but contain nothing that requires especial consideration at your hands.

It is of the first importance that final action be had at this Communication in reference to St. John's College, and that measures be adopted for the relief of those who are individually bound for a portion of its debts.

The report of the Commissioner, F. M. Porter, appointed by the Past Grand Master to investigate the financial condition of the College, was received a short time after the close of our last Communication. It is both voluminous and complex, and has not been minutely examined. I would suggest its immediate reference, with the books, debts, accounts, vouchers, &c., now in the hands of the Grand Treasurer, to a committee of investigation, with instructions that they report at as early an hour as practicable.

I would earnestly recommend that measures be taken, at our present Communication, for the relief of such subordinate Lodges in invaded districts, as are liable to a forfeiture of their Charters for non-payment of dues, and failure in making their proper returns. Isolated as they are in many instances, and precluded from communicating with their more fortunate brethren, their condition should awaken our liveliest sympathies in their behalf.

I would also suggest that all subordinate Lodges be required to keep a true record of the names of such of their members as are in the army, or have fallen in the war. This should be done so that in future suitable steps may be taken to commemorate their loyalty and valor, and to place in its true light the patriotic self-sacrifice, which in this time of trial has so eminently characterized our beloved Order. It has long been your custom—one which originated in Masonic courtesy—to elect for a second term the incumbent Grand Master; but from this usage, for the present, I would have you depart. Grateful for the partiality which first conferred so high a trust, and now stands renew it, I yet must plead my advanced age and arduous professional duties in bar of further service invoking for our present re-union the harmony and good will which have hitherto pervaded our councils.

WM. G. HILL, *Grand Master.*

The Grand Master's Communication was referred to a committee consisting of Bros. J. M. Long, F. G. Foster and J. McCormick.

On motion of Bro. W. P. Taylor, it was

Resolved, That all visiting brethren, of good standing, who may be in the City, are respectfully invited to attend the meetings of this Grand Communication.

The Grand Master appointed the following committees:

TUESDAY MORNING, 10 o'clock, }
December 2d, 1862. }

The Grand Lodge was called from refreshment to labor.

The Grand Officers in their seats.

A large representation present.

The Committee on the Grand Master's communication submitted the following report :

The committee to whom was referred the Grand Master's Report, have considered the same, and beg leave to report, and to express their admiration for the benign influence and principles which his report inspires.

In the propriety and wisdom of the Grand Master's official acts, made known in his report, your committee concur in opinion. We deem it unnecessary to advert to the acts individually, as you are already informed of them.

In reference to those Lodges within the lines of the cruel and brutal enemy now invading our State and desolating our land, your committee concur in the suggestion of the Grand Master, and recommend the adoption of the following resolution :

Resolved, That the Charters of those Lodges in the invaded counties of the State, and within the lines of the enemy, and also those Lodges elsewhere so reduced as not to have sufficient number of members for regular meetings, be not forfeited for failure and non-payment of their annual dues.

In relation to the suggestion made in the Grand Master's report relative to the members of our ancient and noble Order, who have been or shall be engaged in the military service of the country, your committee most heartily concur. The tenets of Masonry teach the sublime precepts of duty we owe to ourselves, our country and our God ; and her devotees are ever ready and willing faithfully to perform their duty. It is therefore in the opinion of your committee meet and proper that each subordinate Lodge should keep a faithful record of all its members who have been or shall be engaged in the military service of the country. To this end your committee respectfully recommend the adoption of the following resolution :

Resolved, That this Grand Lodge does most respectfully recommend each subordinate Lodge within its jurisdiction, to keep a faithful record of its members who have or shall be engaged in the military service of the

country, and a separate record of those who shall fall in the service of the country.

Your committee concur in the suggestions of the Grand Master relative to St. John's College. The condition of the affairs of the College, in the opinion of your committee, imperatively demand the action of this Grand Lodge. It would be unjust and ungenerous in this Grand Lodge not to make some provision for the relief of those brethren who are individually bound for the payment of debts incurred for the benefit of St. John's College. Your committee therefore recommend the adoption of the following resolutions:

Resolved, That a committee be appointed, whose duty it shall be devise and report the most proper measures to be adopted for the relief of those brethren individually bound for debts contracted for the benefit of St. John's College.

Be it further *Resolved*, That a committee be appointed to investigate and report upon the financial condition of St. John's College.

In conclusion, your committee in common with our brethren of this Grand Lodge, fondly hoped that for one more year at least, they would be guided and controlled by the mature years and sage counsels of our Most Worshipful Grand Master. Let us each imitate his zeal and follow his example in the good cause of Masonry.

All of which is respectfully submitted,

J. M. LONG,	} Com.
J. McCORMICK,	
F. G. FOSTER.	

The Grand Secretary submitted his annual Report, which was adopted.

To the Most Worshipful Grand Lodge of North Carolina:

Another Masonic year has been brought around by the wheels of time, and you have again been permitted to assemble in Grand Lodge, to deliberate and discuss all matters connected with the Fraternity, over which you have the exclusive jurisdiction and control.

Nothing of much importance has transpired in my department during the present year, claiming your special attention. This much to be regretted rupture with the North, has to a great extent impeded the progress of Masonry, and materially disturbed and injured its course of business, hence, I can only submit a brief report.

No Dispensations have been granted for the formation of new Lodges since your last Grand Communication.

Several Lodges are owing for dues two years, others for a longer time, by which they have forfeited their Charters, in accordance with the 6th Sec. of the 4th Art. of the By-Laws of the Grand Lodge. When we however take into consideration the distracted state of the country, some clemency should be extended towards those Lodges which have not entirely ceased to work, and to urge them to be more prompt in making Returns and paying their dues for the future.

I have received and paid over to the Grand Treasurer the following amounts:

For dues and Grand Lodge certificates,		\$1498 25
Eno Lodge, No. 210, for St. John's College,	\$50 00	
King Solomon, No. 56, do do do	80 00	80 00
		\$1578 25

I have sent the usual number of forms of Returns and Representation to all the Lodges supposed to be alive and working.

I transmitted to the Grand Lodges of the Southern Confederacy one copy each of the proceedings of our Grand Lodge of last year, and I have received in return some few copies of proceedings of those Grand Bodies, which I placed in the hands of the Grand Master.

Respectfully submitted,

WILLIAM T. BAIN, *Grand Secretary.*

S. P. Horton submitted the annexed resolution, which was read and adopted.

Resolved, That a committee of three members be appointed to consider the propriety of adopting some general rule or regulation, defining how far non-affiliated Masons resident in this State may be legally and justly denied the enjoyment of Masonic intercourse, benefits and privileges, and report by resolution or otherwise.

Bros. S. P. Horton, L. S. Bingham and S. A. Powell were appointed the committee in pursuance with the above resolution.

Called off until this evening at half past 3 o'clock.

To devise plans for the Relief of those Bound for St. John's College—Bros. R. K. Speed, J. W. Howlett, and C. W. D. Hutchings.

The committee on the Grand Secretary's Books made the following report, which was adopted:

To the Worshipful Grand Lodge of North Carolina:

The committee to whom was referred the books of the Grand Secretary, beg leave respectfully to report, that they have examined the same and find them correct. They are kept neatly and in a business-like manner, and do credit to our worthy Grand Secretary.

A communication from Bro. James Banks was read, when on

motion of the Grand Secretary it was ordered to be printed with the proceedings of this Communication :

To the Most Worshipful Grand Lodge of North Carolina:

The manuscript history of Masonry in North Carolina, which was lost on my removal to Florida, has been found. Not being able to participate in our glorious struggle, I know not that I can better serve my country than by re-writing the actions and doings of the great and good North Carolinians of the last century. For the honor conferred and still continued,

I remain yours in the bonds of Fellowship,

JAMES BANKS, Chairman
of History of Masonry.

Lake City, Fla., Nov. 19th, 1862.

Bro. R. S. Harris of Franklinton Lodge, No. 123, had leave of absence.

The Grand Lodge was called from labor to refreshment until this evening at 7 o'clock.

TUESDAY EVENING, 7 o'clock, }
December 2d, 1862. }

The Grand Lodge was called from refreshment to labor.

The Grand Officers and Representatives in their seats.

Past Grand Master, John H. Wheeler, appeared and was invited to a seat in the Grand Lodge.

Rev. Bro. James Reid appeared and took his seat as Grand Chaplain.

Bro. R. W. Lassiter, President of the Board of Trustees of St. John's College, submitted the following report, which was referred to the committee on St. John's College :

To the Most Worshipful Grand Lodge of North Carolina:

In behalf of the Trustees of St. John's College, it becomes my duty to report, that owing to the unsettled condition of the country, there has been a great falling off in the number of students at most of the schools in the State. Notwithstanding, the School in the College has been kept up with nearly its usual number, under the principal teacher, Mr. T. C. Tuley, his Assistant, Mr. Battle, having gone into the army with a volunteer company at the commencement of the war, was wounded at the battle of Sharpsburg, and from the effects of the wound soon thereafter died. This melancholy occurrence is deeply to be regretted, not only because of the loss of his services as Assistant Teacher, but on account of his many qualities.

The finances of the College are now under the control of the Grand Treasurer, whose report will furnish the information it would otherwise be the duty of the Trustees to supply.

In the present disturbed condition of the country it is not probable that

there will be any great success attending the school, but I am satisfied it would be well to inaugurate a course of military instruction, and if the State of North Carolina would second our efforts or take the school under its own patronage, it might be made a most valuable auxiliary to strengthen the arm of the State, and to dispense to many a well-deserved charity. The buildings and grounds are well adapted to a Military School, and I would suggest, with all proper respect, that some plan of this sort be adopted, and the earlier it can be done the better, as the buildings are more liable to decay in their present condition than if they were occupied fully.

Respectfully submitted,

R. W. LASSITER,

Pres. of the Board of Trustees of St. John's College.

The committee on Expulsions and Suspensions submitted the following report, which was adopted:

To the Most Worshipful Grand Lodge of North Carolina:

The committee on Suspensions and Expulsions beg leave to report, that they have had before them the proceedings of Phoenix Lodge, No. 8, in the case of Benj. R. Russell, and find them all in accordance with the usages of this Grand Lodge, and recommend that the action of Phoenix Lodge be sustained, and that the said B. R. Russel be expelled from all the rights and benefits of Masonry. We have also examined into the action of Sandy Creek Lodge, No. 185, in the case of G. H. Gupton; we believe that the proceedings of said Lodge were irregular, from the fact, that at the regular meeting in February last the Lodge expelled said Gupton by a vote of 15 to 7, and at the regular meeting in March following the vote of the former meeting was reconsidered, and the Lodge proceeded to ballot, and he was suspended for 12 months. Your committee are of opinion that said G. H. Gupton ought to have been expelled according to his own acknowledgements, but inasmuch as the proceedings were irregular, they recommend that the case be sent back in order that said Lodge may proceed regularly.

Respectfully submitted,

W. P. TAYLOR, Chairman.

To the Most Worshipful Grand Lodge of North Carolina :

The committee to whom was referred the subject of the financial condition of St. John's College, with the books and accounts relating thereto, having had the same under consideration, beg leave respectfully to report, that they find the papers and vouchers appertaining, to be numerous and complicated, running through a series of years, and requiring for a proper and systematic statement, explanations from persons and parties not within the reach, and a length of time not at the command of your committee, or within an ordinary session of this Grand Lodge. We therefore respectfully recommend that the Most Worshipful Grand Master be requested and instructed to employ a good *accountant*, to whom shall be delivered all the vouchers, books and papers pertaining to this subject, and who shall go to Oxford, or any other point where the best facilities can be afforded him, and by interview and correspondence, obtain the necessary information to enable him to state the account fully, and report immediately to the Most Worshipful Grand Master.

The committee on St. John's College made the annexed report, which was adopted.

To the Most Worshipful Grand Lodge of North Carolina:

The committee to whom was referred the report of Bro. R. W. Lassiter, President of the Board of Trustees of St. John's College, beg leave to report, that they have examined the report, and duly considered the suggestions made.

The subject of St. John's College is one about which this Grand Lodge has bestowed much anxious thought, and your committee are of opinion there is a great unanimity of opinion at this time in reference thereto. In the opinion of your committee we should dispose of St. John's College as soon as practicable on the best terms we can. To this end we recommend the adoption of the following resolution:

Resolved, That the Grand Master and Grand Treasurer proceed to sell St. John's College, with its appurtenances, at as early a period as convenient, and on the best terms they can.

The following resolution was also adopted with reference to St. John's College:

Resolved, That brother E. F. Watson, G. M., or his successor in office, execute title to purchaser of St. John's College under the seal of the Grand Lodge of North Carolina.

In recommending this course your committee are impressed with the belief that the Grand Lodge, as well as the the subordinate Lodges, will be rid of a burden from which they are anxious to be relieved.

The report of the committee on Non-affiliated Masons was submitted and adopted.

To the Most Worshipful Grand Lodge of North Carolina:

The committee to whom was referred the subject of Non-affiliated Masons, beg leave to report, that they have given the subject as mature a consideration as the time allowed will permit. It is a well known fact, that in North Carolina, for the last twenty years, Masons have been made with almost rail road speed, yet our membership has not greatly increased; and why? because a numerous class have from time to time voluntarily withdrawn from the secular Lodges, and while they do not contribute any thing towards defraying our expenses or charities, avail themselves of the advantages of the institution in various ways, and claim other benefits in case of need. Now, while some Grand Lodges have made regulations, taxing non-affiliated Masons, others entertain doubts about the power to do so, and others admitting perhaps the power deny the expediency of any such measure. The Grand Lodge of North Carolina, so far as she has expressed any opinion, has expressed it against direct y taxing non-affiliated Masons. Under the resolution appointing this committee, we are to consider, 1st, Whether any general regulation can legally be adopted to reach these persons. 2d. Whether they can justly be denied the enjoyment of Masonic intercourse, benefits and privileges.

In considering these points we have to look to the Old Constitution, the Ancient Charges, and past Usages of the Order. And first, was it ever originally contemplated that there should be Masons who should enjoy the advantages of the institution while they did not belong to Lodges, and stood aloof and disconnected from it? This certainly was not so with regard to the expelled. And, the very principle of suspension for unworthiness, is a deprival of Masonic advantages, for that reason which proves that for any unworthiness whatever, or however slight, the Lodges have power to deny the enjoyment of Masonic privileges.

"It then becomes simply a question as to what constitutes unworthiness, and what degree of unworthiness will justify a denial. In regard to this, the old Constitution and Ancient Charges, are sufficiently plain."

"These requirements are for the purpose of preserving Masonry as 'a Centre of Union' to men of just and upright conduct, and as a 'means of conciliating true friendship' among those who otherwise 'have remained at a perpetual distance.'"

"We are commanded even 'if a brother rebel against the State' 'to disown his rebellion,' though we cannot expel him from the Lodge,' for that reason simply. This proves that we may set a mark of our disapprobation upon any unworthy act, or any thing wrong done by a Mason."

"In the 3d degree of the ancient charges, entitled 'Of Lodges,' printed in 1723, it is said expressly, that 'every brother ought to belong to one, and be subject to its By-Laws and the general regulations of the Grand Lodge.' And again, 'in ancient times no Master (mason) or Fellowcraft could be absent from it, especially when warned to appear at it, without incurring a severe censure, until it appeared to the Master and Wardens that pure necessity hindered him.' And again, the persons admitted members of a Lodge, must be good and true men—no immoral men, but of good report." Masons are to 'avoid all ill language,' and to 'call each other by no disobliging name,' and 'to behave themselves courteously, both within and without the Lodge.' And Masons are commanded 'not to desert the Master till the work is finished.'

"All this implies the union of good men and true, in constant and continued fellowship, without misconduct, or even desertion while there is work in the institution to be done."

"OF THE DUTIES OF MEMBERS."

ARTICLE VI. No set or number of brethren shall withdraw or separate themselves from the Lodge in which they were made, or afterwards admitted members, unless the Lodge become too numerous; nor even then without a dispensation from the Grand Master or Deputy. And when thus separated, they must either immediately join themselves to such other Lodges that they like best, or else obtain the Grand Master's warrant to join in forming a new Lodge, to be regularly constituted in good time.

"This, once a principle of the Order, so far as to become a part of the Ancient Charges, should always remain so, for those charges contain the ancient landmarks as far as written; and we are solemnly required by our duty and by our written Constitutions, to preserve them, and on no account to suffer them to be violated or removed."

We have copied our quotations from Anderson's Constitutions, printed in 1723. It declares that 'every brother ought' to belong to a Lodge, and that such was the requirement 'in ancient times.' And there is no where anything varying the requirement, except the provision in some modern Constitutions and By-Laws of Lodges, allowing brethren to demit. But this privilege is solely for the purpose of forming a new or joining some old Lodge, and not for the purpose of abandoning the institution, or idly looking on, while others do the works of initiation, instruction, charity, benevolence, and good fellowship.

To demit for either of these two objects is certainly unworthy the character or tenure of a true Mason, and those who persist in doing so ought to be fearlessly made examples of, so far as to lessen the evil now too frequent, and discourage others from following their examples.

"And this, we believe, may be done legally and justly, consistently with our present Constitution, and the ancient land-marks and charges; and with a due exercise of kindness and respect for demitted brethren, and that charity which is due to every good and true brother, for it is due none other. With this view we propose the following resolutions:

Resolved, 1st, That every Mason ought to belong to some particular Lodge, and comply with its By-Laws and the general regulations in relation to the payment of dues and contributions to the charity funds. And any Mason who does not contribute to the funds, or belong to some Lodge, is not entitled to visit a Lodge while he remains non-affiliated, or to join in processions, or to relief, or Masonic assistance or burial.

2d. That nothing in the foregoing resolution shall be so construed as to prohibit any Subordinate Lodge from permitting a non-affiliated Mason to visit the Lodge once.

All of which is respectfully submitted,

 Making a total of Receipts \$ 1229 00

NOTE.—It is due to the Grand Secretary that the Printer should state, that he is not to blame for the tardiness of the appearance of these Proceedings. The difficulty in procuring paper and Printers to execute the work, alone, are the cause of their late appearance.
